BAND BIOGRAPHY

SOARING VOCALS, POUNDING DRUMS, AND PUNISHING GUITARS AND BASS CREATE THE SIGNATURE SOUND OF LIVIN' DARK DAZE.

Summer of 2020 was the inception of the current band lineup. LDD's signature sound is unmistakable. Soaring choruses, thundering verses, and precision are hallmarks of the band. "This lineup is a monster" says lead vocalist and founding member Buster Grant. Blending three guitars and four-part harmonies sets LIVIN' DARK DAZE apart from the rest.

The band is currently releasing singles from their much anticipated EP, recorded in Memphis, TN with Grammy nominated producer and former 12 Stones guitarist, Justin Rimer,
